

ReaX™ Organic is an OMRI listed® nutrient-use-efficiency tool designed for the organic producer. At 10% concentration, ReaX Organic is an auxiliary soil and plant substance delivering an optimized analysis of humic acid for organic use.

## FEATURES

- Organic producer-focused formulation
- Effective alone or with other fertilizers
- OMRI Listed and certified for organic production
- Non-phytotoxic formulation

## RATES

1-2 gal/A for most crops and applications

## GROWER BENEFITS

- Improves soil structure and water retention while mitigating effects of salinity
- Provides organic input material for healthier, more productive soil
- Helps mitigate the effects of salt, thus increasing water availability and retention for crops

## ACTIVE INGREDIENTS

10% humic acid
